Working together for health care excellence

Our community reminds us every year how important it is to all of us in the West Island that we have access to quality health care close to home. Making a donation by phone, by fax, online or using the attached form is a valuable way to be a good neighbour.
Here are some sincere testimonials from people that have been treated at the Lakeshore General Hospital.

"My heartfelt appreciation for the warm, kind care I received."
Helen, Dorval

"In memory of my late husband, please accept this donation for the care, compassion and comprehension you provided with dignity during our difficult and painful moments."
Thérèse, Pierrefonds

"The doctor performed immediate surgery that saved my life."
Pierre, Ile-Perrot

"When my wife had major surgery at the LGH, we were both impressed with the services offered and the professional and friendly attention given to my wife. I would like to thank the staff at the LGH and accentuate the positive experience our family had there. The quality of care has definitely improved."
Bassam, Dollard-des-Ormeaux

"I want to express how grateful I am to the people involved in the Cardiac Wellness Program and to those who support it. I feel fortunate to have been part of such a program."

Whether they make a donation during our annual campaign or to honour the memory of a loved one or to express their gratitude, our donors recognize the benefit of supporting their community hospital.

On behalf of the patients, their families and the professionals who treat them, thank you for your generosity.
